

FuelCell Energy

FOR IMMEDIATE RELEASE

**FUELCELL ENERGY, INC. INVITES YOU TO ITS THIRD QUARTER
RESULTS WEB BROADCAST**

THURSDAY, AUGUST 30, 2007 at 10:00 a.m. ET

DANBURY, CT, August 16, 2007 -- FuelCell Energy, Inc. (NasdaqNM:FCEL) will hold its quarterly conference call to discuss third quarter results on Thursday, August 30, 2007 at 10:00 a.m. Eastern Time.

The call is being webcast by Shareholder.com and can be accessed at FuelCell Energy's web site at www.fce.com on the investor relations page. The webcast will also be archived for 7 days.

About FuelCell Energy, Inc.

FuelCell Energy is the world leader in the development and production of stationary fuel cells for commercial, industrial, municipal and utility customers. FuelCell Energy's secure, ultra-clean and high efficiency DFC[®] fuel cells are generating power at over 50 locations worldwide. The company's power plants have generated more than 180 million kWh of power using a variety of fuels including renewable wastewater gas, biogas from beer and food processing as well as natural gas and other hydrocarbon fuels. FuelCell Energy has partnerships with major power plant developers, trading companies and power companies around the world. The company also receives substantial funding from the US Department of Energy and other government agencies for the development of leading edge technologies such as hybrid fuel cell/turbine generators and solid oxide fuel cells. For more information please visit our website at www.fuelcellenergy.com.

This news release contains forward-looking statements, including statements regarding the Company's plans and expectations regarding the continuing development and commercialization of its fuel cell technology. All forward-looking statements are subject to risks and uncertainties that could cause actual results to differ materially from those projected. Factors that could cause such a difference include, without limitation, the risk that commercial field trials of the Company's products will not occur when anticipated, general risks associated with product development, manufacturing, changes in the utility regulatory environment, potential volatility of energy prices, rapid technological change, and competition, as well as other risks set forth in the Company's filings with the Securities and Exchange Commission. The forward-looking statements contained herein speak only as of the date of this press release. The Company expressly disclaims any obligation or undertaking to release publicly any updates or revisions to any such statement to reflect any change in the Company's expectations or any change in events, conditions or circumstances on which any such statement is based.
